Walter,

Here are the final versions for posting of the SOW (Statement of Work) and attachments to the SOW and the Quality of Life (QofL) review memo. The EPS will follow in a separate email. Doug Fischer will email the letter separately after Walter signs it in the am.

Subject: Documents

Mike,

Sorry -- looks like you won't have the documents until tomorrow morning. (You said that would be enough time, and we're going to put you to the test.)

The documents will come to you some time tonight. They will come via email from Benny Conetta to me, with a cc to you. The word "FINAL" will be in the Subject line of the emails.

Talk to you tomorrow.

- Walter
